BobTalk

We're playing over here with a lot of pride, a lot of, a big honor to play in this country, Great Britain. When I grew up, they used to tell me about the Battle of Britain. RAF. Winston Churchill, all that stuff. Now, we all know that Britain stood alone. And without any allies, and that always meant a lot to me and everybody that I grew up with. I wanna introduce my band to you right now. On the guitar is Larry Campbell. On the drums is David Kemper. On the other guitar is Charlie Sexton. Playing the bass guitar tonight is Tony Garnier. And we've been here before but we'll sure be back. (after The Wicked Messenger).
