## 1 INTRODUCTION

This year saw Dylan record in a number of sessions, but very little came out of it. Four songs ended up on the second greatest hits package and one on a single release. In August Dylan returns briefly to the stage for the surprise appearance at the benefit concert for Bangla Desh in Madison Square Garden. The performances are recorded by Phil Spector and later released on LP.

## 3 CALENDAR

- 6, 9 January Telephone conversations between Dylan and A.J. Weberman about an intended article by Weberman.
- 8 February **Eat The Document** is released and shown at the New York Academy of Music. This "documentary" was filmed and directed by D.A. Pennebaker (director of **Don't Look Back**) during the European part of the 1966 world tour. Dylan and Howard Alk later edited it.

- 16,17,18 March Recording sessions at The Blue Rock Studios in New York with among others Leon Russell and Don Preston.
