## 1 A SHORT SUBJECTIVE RETROSPECTIVE

This year Bob Dylan decided to surprise us by NOT surprising us. Same procedure as last year. Same band, same songs, same show format. And, it has to be said, same high quality or even higher than 1993. In fact in terms of Bob Dylan's own performance, this has to be the best year since 1988. Still there were some disappointments. No song debuts, excluding one performance of Lady Came From Baltimore by Tim Hardin. Not until the MTV Unplugged sessions was Dignity performed although it was done at various soundchecks during the year. And why no songs from World Gone Wrong?

Other noteworthy happenings: the Cooper & Lybrand deal, the Great Music Experience performance in Nara, Japan, The Woodstock '94 performance and finally MTV Unplugged.

## 2 THE YEAR AT A GLANCE

### 3 CALENDAR

- January* A Carlene Carter CD-single with tracks from the album **Little Love Letters** is released. An extra non-album track is *Trust Yourself* with background vocals by Dwight Yoakim, Howie Epstein, Joe Romersa, Kevin Welch and Bob Dylan. For once Bob's vocal is quite audible and it is a pretty good version. This session dates from January 1993.
- January* Dylan gives Cooper & Lybrand the right to use a recording of The Times They Are A-Changin' done by Ritchie Havens in their commercials. When published it causes great traumatic reactions from fans all over the world.
- January* A \*stereo\* copy of the promotional **Freewheelin'** is found in California and sold at auction at a five figure price.
- February 4* Akihiko Yamamoto interviews Dylan in the lobby of Hotel Okura. It is later printed in the April issue of CROSSBEAT.
- 5 February* Dylan starts his first tour in Japan since 1986 in Sendai. The surprise opener is *Jokerman*, not played since the 1984 European tour followed by another surprise, *If You See Her, Say Hello*, last time performed in Osaka Fu, Japan 14 February 1978. Also included is *In The Garden*, which had been absent in both 1992 and 1993. *Jokerman* turned out to be the standard opener during 1994.
- 16 February* During the show in Hiroshima a reworked acoustic version of *Masters Of War* is performed. A breathtaking version, that Dylan apparently likes and plays regularly during the rest of the year. *Masters Of War* haven't been played acoustic since 12 April 1963 in New York City.
- 22-25 February* The Far East Tour ends with three shows in Kuala Lumpur, Malaysia, Singapore and Hong Kong, all "first countries" for Dylan.
- 23 March* Dylan makes a surprise performance at The Rhythm and Blues Concert at the Universal Amphitheater in Los Angeles. He tries a duet with Trisha Yearwood on *Tomorrow Night*.
- 5 April* An extensive Spring tour starts in Springfield, Illinois. *Jokerman* is played live for the first time in the US.
- 6 April* The show at The Adler Theater in Davenport Iowa contains an acoustic version of Tim Hardin's *Lady Came From Baltimore*. It is played only twice and proves to be the only live debut 1994.
- 7 April* A new interview with Dylan is published in St. Louis Post-Dispatch.
- 8 May* The Spring tour ends with a show at "The Memphis In May Beale Street Festival".
- 9-11 May* Dylan records at least five different tracks at the Ardent Studios in Memphis, Tennessee. All songs are covers. *Boogie Woogie County Girl* is released on **A Tribute To Doc Pomus** in March 1995. A part of *My Blue Eyed Jane* is later released on **Highway 61 Interactive** in 1995, and the whole track with a new vocal from 1997 is released on the tribute album

**The Songs of Jimmie Rodgers** in August 1997. The other tracks remain unreleased.

- 20-22 May Dylan participates in The Great Music Experience, a three day concert in Nara, Japan co-sponsored by UNESCO's World Decade For Cultural Development Project. This was intended to be the first of a series of events to be staged at important and beautiful cultural sites each year until 2000. No more instances were however realized. This year the "western world" artists that joined various artists from Japan included Joni Mitchell, INXS, Ry Cooder, Jon Bon Jovi and Richie Sambora. Dylan performed the same three songs each day: *A Hard Rain's A-Gonna Fall*, *I Shall Be Released* and *Ring Them Bells*. He was backed by the New Tokyo Philharmonic Orchestra and a backing group with the ubiquitous Jim Keltner on drums and the inevitable Ray Cooper on percussion. Dylan's performance was nothing short of stunning. Made grown men cry, as Q put it. Each concert ended with *I Shall Be Released* (again!) with all the participating artists on stage. The last day was broadcast live on radio and TV in over 50 countries around the world.
- 22 May Release of **Stevie Nicks: Street Angel**, which includes *Just Like A Woman* on which Dylan plays guitar and harmonica. This track is probably recorded in December 1993 or January 1994.
- 3 July The perennial European tour starts in Paris. For once the opener is not *Jokerman*, but *To Be Alone With You*.
- 16 July The Czech President Vaclav Havel with wife attend the show in Prague.
- 17 July The show in Krakow, Poland has to be interrupted after the acoustic set after heavy raining during the entire set.
- 25 July Last show in Europe takes place in Kiel, Germany.
- 10 August After only two weeks rest the next tour starts in Portland, Maine.
- 14 August Dylan plays Woodstock '94 as part of the US Summer Tour. The first electric set is only four songs, making this the only 1994 show without *Tangled Up In Blue*. The whole show is broadcast on radio and TV all over the world. *Highway 61 Revisited* ends up on the official audio release.
- 16 August Release of the CD box **Allen Ginsberg: Holy Soul, Jelly Roll - Poems And Songs (1949-1993)**. The set includes three tracks from the Record Plant session in New York City, 20 November 1971: *Vomit Express*, *September On Jessore Road* and *A Dream*. The latter is not previously in circulation. Dylan plays guitar and sings backup vocal. Also included is *Airplane Blues* from Dylan's own studio in Santa Monica, Rundown Studios, 23 February 1982. The released take is the so called "slow version". Dylan plays bass.
- 20 August Concert #600 on the Never-Ending Tour takes place in Cleveland, Ohio.
- 23 August Release of the soundtrack to Oliver Stone's **Natural Born Killers**. Dylan sings a song from 1952 called *You Belong To Me*, written by Pee Wee King, Redd Stewart and Chilton Price. It's an acoustic solo recording recorded at the same time as **Good As I Been To You**. Unfortunately the

soundtrack producer, Trent Reznor from Nine Inch Nails, decided to overdub the last instrumental part of the track with dialogue from the movie.

- 29 August The short US Summer Tour ends in Detroit, Michigan.
- September Dylan sues Apple Computers for using the name DYLAN (DYnamic LANguage) for a programming language.
- 16 September Columbia Records employees are called to the 20th floor conference room between 12.30 and 1.30 to listen to a selection of tracks from the season's new products. First out is Dignity from Dylan's forthcoming Greatest Hits Vol. III!
- 1 October After a month off the road Dylan resumes the never-ending touring in Ithaca, New York.
- 9 October The last of three shows in Boston Dylan plays two extra encores, the first being *Two Soldiers* (a.k.a. *Blue-Eyed Boston Boy*). This is the only live performance of a song from **World Gone Wrong** in 1994.
- 17 October The day before his first concert at The Roseland Ballroom Dylan joins Grateful Dead in The Madison Square Garden for an embarrassing listless version of *Rainy Day Women #12 & 35*.
- 20 October Seen in the VIP-part of Roseland Ballroom during the last concert are Neil Young and Bruce Springsteen. They join Dylan for two extra encores: *Rainy Day Women #12 & 35* and *Highway 61 Revisited* playing guitars but not singing.
- 22 October The show in Rochester, New York, is interrupted after the first encore, *Like A Rolling Stone*, due to audience invasion of the stage. Later it turns out that the whole thing was arranged and filmed for an ongoing documentary about Bob Dylan! The same crew that filmed *Supper Club* is working on this project. They also filmed Bruce Springsteen and Neil Young at Roseland Ballroom in New York.
- 26 October Second take of "the-enthusiastic-audience-has-invaded-the-stage-we-can't-go-on" scene, again after *Like A Rolling Stone*.
- 1 November Third and last take.
- 2 November Ruth Tyrangiel files a palimony suit against Dylan. She claims to have lived with him between 1974 (!) and 1993. She also says that she helped Dylan to write some of his songs and that he promised to marry her. Ruth Tyrangiel played "The Girlfriend" in **Renaldo & Clara** and appears in three scenes. All this is of course very strange, Why has nobody heard of her during all these years? And 1974? Then why wasn't she mentioned in the 1977 divorce? Note though the thanks to "Ruthie" on the **Knocked Out Loaded** cover (only on the original LP version).
- 8 November Release of **Woodstock 94**, containing *Highway 61* (sic) from Dylan's set.
- 9 November **Drawn Blank** is published. This book contains almost 100 drawings by Dylan, many in pencil and some in charcoal and ink. Also included is a foreword by Dylan dated September 1994.
- 10 November In Jackson, Tennessee Carl Perkins joins Dylan for a third encore and

sings *Matchbox*.

- 13 November* This year's last show, in New Orleans, ends with an extra encore, *Rainy Day Women #12 & 35*. This is show #104, making 1994 the year with most concerts since 1978!
- 15-16 November* After just two days rest Dylan and his band starts the rehearsals for MTV Unplugged. *Dignity* is tried at least four times as well as other songs not played during the tour.
- 15 November* Release of **Greatest Hits Volume 3**. *Dignity* from the Oh Mercy session is included. Brendan O'Brien, who produced Pearl Jam's second album has produced an instrumental backing. Only Dylan's vocal and piano is left from the original recording.
- 17-18 November* Taping of MTV Unplugged at Sony Studios in New York City. The band is enhanced with keyboards played to great effect by Brendan O'Brien. For set-lists please refer to section 4.
- November* Release of **Mike Seeger: Third Annual Farewell Reunion** on Rounder Records. Dylan sings *Ballad Of Hollis Brown* accompanied by Mike Seeger on banjo. This track is recorded at Grandma's Warehouse in Los Angeles, 19 May 1993.
- December* Release of a three-track CD single containing two versions of *Dignity*, the album version and a "radio edit" omitting four verses. The third track is *A Hard Rain's A-Gonna Fall* from 22 May in Nara, Japan with The New Philharmonic Orchestra.
- 14 December* First broadcast of **Bob Dylan Unplugged** on US MTV. The broadcast version contains 8 songs taken mostly from the second taping session. A notable exception is the exquisite rendition of *With God On Our Side* in which the verses about World War II and "The Russians" are timely omitted.
- 24 December* First broadcast of **Bob Dylan Unplugged** on MTV Europe. The set is identical to the one shown in US.

## 4 RECORDINGS

Here's a list of recordings from 1994 other than concerts. For details please refer to the corresponding session pages in Still On The Road.

22 May	The Great Music Experience, 3 <sup>rd</sup> day
30 September	New York City studio session
15–16 November	Camera rehearsals for MTV Unplugged taping sessions
16 November	Rehearsals for MTV Unplugged taping sessions
17 November	1 <sup>st</sup> MTV Unplugged taping session
18 November	2 <sup>nd</sup> MTV Unplugged taping session

## 5 NEW TAPES

### 5.1 *Genuine Bootleg Series*

The release of the bootleg CD set The Genuine Bootleg Series contained the following new tracks:

1. *Nobody 'Cept You* new version, i.e. not the same as the one on The Bootleg Series.
2. *Stop Now* one of the songs co-written with Helena Springs recorded at the Street Legal sessions in May, 1978.
3. *Am I A Stepchild or Stepchild* A Dylan composition which has never surfaced as a studio recording, this live PA-version is from the first 1978 US show in Augusta, Maine, 15 September 1978.
4. *Caribbean Wind* An early rehearsal version with different lyrics and arrangement from the October rehearsals at Rundown Studios in Santa Monica, California. The gem of this collection.
5. *Don't Ever Take Yourself Away* An out-take from Shot Of Love. Interestingly enough the lyrics here differ from the copyrighted version.

### 5.2 *Infidels sessions*

The Power Station, New York City, New York, 11 April - 8 May 1983.

Two more tapes with Infidels out-takes surfaced in 1994. The first one is ca 60 minutes and contains:

1. *Sweetheart Like You*
2. *Someone's Got A Hold Of My Heart*
3. *Lord Protect My Child*
4. *Angel Flying Too Close To The Ground*
5. *Foot Of Pride*
6. *Tell Me*
7. *I & I*
8. *Union Sundown*
9. *Julius & Ethel*
10. *Jokerman*
11. *Don't Fall Apart On Me Tonight*

Of these tracks 1 and 8 are new versions. Union Sundown is hilarious with Bob singing fake lyrics except the chorus. Track 4 is the original mix with another harmonica solo.

The second tape is also about 60 minutes and has the following:

1. *This Was My Love*
2. *This Was My Love*
3. *Julius & Ethel*
4. *Straight A's In Love*
5. *Straight A's In Love*
6. *When The Night Comes Falling From The Sky*
7. *Sweetheart Like You*

Comments:

1. second intro is new
2. this is the new version, that came into circulation last year
3. same as the one we have, but this one seems to be in mono, the guitar has disappeared almost completely. This version is brighter than the stereo version.
4. same as the one we have, but without the mumbled intro, again slightly better (brighter) sound
5. same as 4!!
6. same as Bootleg Series!
7. this is the multi-take tape that we have before but in much better quality \*and\* with an extra 7 minutes at the end including a new complete take!

Note that tracks 4-6 are not really Infidels out-takes, but recorded during the Empire Burlesque sessions in 1984 and 1985.

## 6 THE NEVER-ENDING TOUR CONTINUES

### 6.1 Introduction

1994 marked the 7<sup>th</sup> year of the Never-Ending Tour! The usual late year rumours in 1993 had it that Dylan would play Japan in early 1994, something he had wanted to do for a long time, and then finally take that long well deserved break. As we all know the tour of Japan finally came about and the break didn't. In fact 1994 is the year with most shows, 104, during the entire Never-Ending tour.

The shorter format with 14-15 songs established during the joint tour with Santana was maintained through out the year. Typical show length was 110 minutes.

The 1994 part of The Never-Ending Tour consisted of five new "legs":

1	February	Japan	14 shows
2	April-May	US	25 shows
3	July	Europe	17 shows
4	August	US	15 shows
5	October-November	US	33 shows

### 6.2 The Musicians

John Jackson	electric and acoustic guitar, banjo
Bucky Baxter	pedal steel guitar, lap steel guitar, electric & acoustic slide guitar, dobro, electric mandolin
Tony Garnier	bass
Winston Watson	drums

### 6.3 The show

The shows were structured as follows:

Main set:   6 electric songs  
              3-4 acoustic  
              3-4 electric

Encores:    1 electric  
              1 acoustic

### 6.4.4 Comments

This Far East Tour was something Dylan had wanted to do for several years and when it finally happened it became the longest tour he's ever done in that region. Two "new" songs were included in the set: *Jokerman* & *If You See Her, Say Hello*, none of which had been played on the Never-Ending Tour. *In The Garden* returned after having been ignored both in 1992 and 1993. *Series Of Dreams* returned to the set after having being played only once in 1993, now in a new minor key arrangement. In Hiroshima, Dylan played the first acoustic *Masters Of War* since 1963.

## 6.6.4 Comments

Bob Dylan toured Europe for the sixth year in a row. This time he had (again) requested places and also countries that they had never visited before. We are still waiting for the great tour of Russia though!

Since 1965 Dylan has played 261 concerts in 27 different countries during his European tours. This summer Poland and The Czech Republic got their first visits. Here's a summary:

### 6.7.4 Comments

This part of the Never-Ending Tour saw Dylan perform at the 25th anniversary Woodstock concert called Woodstock '94. Many fans saw this as another sell-out, Dylan probably just saw it as another festival show and another chance to de-mytologize himself.

#### Recommended shows

## 6.8.4 Comments

As usual, the year ended with a long, long Fall tour, mainly on the East Coast. The performances during this last leg were even better than earlier during the year, leading up to the great Unplugged sessions. Several of the shows were filmed for the on-going video project.

**Recommended shows**

Boston 9 October, New York City 20 October, Washington 31 October.

**Guests**

Neil Young and Bruce Springsteen watched the last of the New York City shows at The Roseland Ballroom and joined Dylan and the band for two extra encores, *Rainy Day Women #12 & 35* and *Highway 61 Revisited*. Neil Young played electric lead guitar and Bruce Springsteen played electric rhythm guitar. None of them sang.

At the show in Jackson, Carl Perkins joined Dylan and the band for an extra encore, *Matchbox*, singing and playing guitar. Bob did no singing on this song.

<sup>21</sup> a show is unique if no other show has the same songs in the same order; Cuyahoga Falls, July 9 and Harrisburg, July 11 are identical!

<sup>22</sup> a show is different from another show if the set of songs are different, regardless of order

<sup>23</sup> electric and acoustic versions are counted as different songs

<sup>24</sup> a song is counted as unique regardless of how it is performed

<sup>25</sup> variation is computed as the quote between number of different songs and mean number of performed songs

**BobTalk**

None but the standard band credits during Maggie's Farm.

**Tapes**

There are audience tapes from all concerts.

## 7 NEW BOOKS

The flood of new Dylan books continued. Here's a, no doubt incomplete, list:

**Anonymous: Looking For Some Answers - The Bob Dylan Quiz Book**

Agast Publications, 1994. 40 pages.

500 Dylan questions (and answers) on all levels of knowledge.

**Glen Dundas; Tangled Up In Tapes, The recordings of Bob Dylan**

SMA Services, 1994. 366 pages, large format.

The third edition of this "alternative" Krogsgaard. This edition has a song index (only four songs) and a section on "missing" tapes. The video section is understandably much shorter this time. There is no way to keep track of all the different audience videos, Dundas concentrates on the official and broadcast stuff. Oddly enough there are no details about backing musicians.

**Bob Dylan: 30th Anniversary Concert Celebration**

Official song book from BobFest.

**Bob Dylan: The 30th Anniversary Concert Celebration**

Spanish book with all the song lyrics (mostly as actually performed) both in English and Spanish.

**Bob Dylan: Drawn Blank**

Random House 1994.

Includes foreword by Bob Dylan, September 1994.

**Bob Dylan: Tarantula**

Paperback re-issue.

**Dave Percival: Love Plus Zero/With Limits**

X-Asity, England 1994. 400 pages.

Another concordance. Lyrics to unreleased songs also included. Contains a permuted index.

**Adrian Rawlins: Dylan Through The Looking Glass**

The All Night Cafe, 1994. 51 pages.

A collection of writings on Bob Dylan, 1966-1981.

**Phill Townsend: Strangers And Prophets - CD Boots Volume II**

A Next 2 Last Publication from Toasted Cheese, 1994.

110 pages + index volume 70 pages.

Covers the second 100 Dylan CD boots.

**Richard D. Wissolik & Scott McGrath: Bob Dylan's Words - A Critical Dictionary & Commentary**

Eadmer Press, 1994. 256 pages.

Critical essays.

**Robin Witting The Cracked Bells: A guide to Tarantula**

Exploding Roster Books, England 1994. 140 pages.

Contains page-by-page annotations to Tarantula.

**Mike Wyvill & John Wraith: Down The Highway Bob Dylan's 1993 Concerts**

Wanted Man, 1974. 52 pages.

Concert listings and comments plus a lot of pictures from The Telegraph.
