Thank you! I want to introduce the young man playing the guitar, JJ Jackson. I won't tell you how old he is, but he's from Memphis, that ought to give you some idea. On the drums tonight, give him a big hand, Winston Watson. Playing steel guitar, and a bunch of other stuff, is Bucky Baxter, the former mayor of Bluefield, West Virginia. He was a fine looking young man when he joined me, there's a lot of miles on him now, I can tell you that much. On bass guitar Tony Garnier is playing tonight. I know that he tried to milk a cow with a monkey wrench, I know that. So we're gonna be here a couple of nights over here if you want to come back. (after I'll Remember You)

Thank you! That was the best guitar playing I ever heard since Woodstock! I'm not gonna tell you how old he is, he's from Memphis, that ought to give you some kind of clue — JJ Jackson! On the drums, I've only met this guy, I met him last year in Hollywood, I had a few hard words with him but he played so good it didn't matter. Winston Watson. That guy playing the steel guitar and banjo and a bunch of other stuff, he's a former mayor of Bluefield, West Virginia. Here's Bucky Baxter. And on bass guitar Tony Garnier. I'm not, can't tell you nothin' about Tony, but I know a bunch about him, I know that he tried to milk a cow with a monkey wrench ...
