Notes
Bob was introduced with the following statement: “The poet laureate of rock 'n' roll. The voice of the promise of the
'60s counterculture. The guy who forced folk into bed with rock, who donned makeup in the '70s and disappeared into a
haze of substance abuse, who emerged to “find Jesus,” who was written off as a has-been by the end of the '80s, and
who suddenly shifted gears and released some of the strongest music of his career beginning in the late '90s.”, (taken
from a Buffalo News article 9 August 2002. This introduction was used at every show until the 2012 US Summer tour!!
