1 INTRODUCTION

This year started with a recording session in Capitol Records Studio in Los Angeles, resulting in the **Shadows in The Night** album released a year later. This year The Never-Ending Tour visited Asia, Europe, Australia and of course the US. In November there were two major releases, *The New Basement Tapes*. *Lost On The River* and *Bootleg Series Vol. 11: The Basement Tapes*. Both are detailed in chapter 4. Finally in December Sony Music again rushed out an extremely limited release in Europe with recordings from 1964 to extend their copyright ownership, this time on 9 mini LPs.
